

**Albert Einstein College of Medicine
Diabetes Center Conference
2009-2010
Fridays, 9:00am – 10:00am
Price/Block Auditorium**

September 11, 2009

Michael Rodi, M.D.

German Diabetes Center

Title: Energy Metabolism and Insulin Resistance

September 18, 2009

Alan Shuldiner, M.D.

University of Maryland

Title: Genetics of the Metabolic Syndrome: Insights from a Founder Population

September 25, 2009

Streamson Chua, M.D., Ph.D.

New York Obesity Research Center, St. Luke's-Roosevelt

Title: Leptin-Independent Controls of Feeding and Body Composition

October 2, 2009

Francine Einstein, M.D.

Albert Einstein College of Medicine

Title: Fetal Origin of T2DM and Other Age-Related Disease

October 9, 2009

Kevan Herold, M.D.

Yale University

Title: Treatment of Type 1 Diabetes with Immune Modulation

October 16, 2009

David Moller, M.D.

Lilly Pharmaceuticals

Title: Challenges and Opportunities in Metabolic Disease Drug Discovery

October 23, 2009

Ira Goldberg, M.D.

Columbia University

Title: Creating and Curing Cardiac Lipotoxicity

October 30, 2009

RESCHEDULED 3/12/10

Jesse Roth, M.D.

Albert Einstein College of Medicine

Title: Evolutionary Speculation About Tuberculosis and the
Metabolic and Inflammatory Processes of Obesity

November 6, 2009

Zaher Nahle, Ph.D.

Cornell University

Title: E2F in Cardiac Metabolism and Tumor Metabolism: Work in Progress

**Albert Einstein College of Medicine
Diabetes Center Conference
2009-2010
Fridays, 9:00am – 10:00am
Price/Block Auditorium**

November 13, 2009 CANCELLED
Lawrence Mandarino, Ph.D.
Arizona State University
Title: To be Announced To be rescheduled

November 20, 2009
Peter Arvan, M.D., Ph.D.
University of Michigan
Title: Insulin Plays in the World Series but gets Stranded on First Base

November 27, 2009 **HAPPY THANKSGIVING** **NO CONFERENCE**

December 4, 2009
Lori Sussel, Ph.D.
Columbia University
Title: Transcriptional Regulation of Pancreatic Islet Differentiation

December 11, 2009 Cancelled
Rescheduled 4/30/09
Alan Saltiel, Ph.D.
University of Michigan
Title: To be Announced

December 18, 2009
Kenneth Cusi, M.D.
University of Texas
Title: Nonalcoholic Fatty Liver Disease: An Overlooked Complication of T2DM

December 25, 2009 **Happy Holiday** **No Conference**

January 1, 2010 **Happy Holiday** **No Conference**

January 8, 2010
Silvio Inzucchi, M.D.
Yale University
Title: What is Diabetes? New Categories, New Controversies

January 15, 2010
Fredric Wondisford, M.D.
John Hopkins
Title: Transcriptional Control of Gluconeogenesis in Fasting & Obesity

January 22, 2010
Richard Kitsis, M.D.
Albert Einstein College of Medicine
Title: Towards a Unified Model of Cell Death and its Role in Human Disease

**Albert Einstein College of Medicine
Diabetes Center Conference
2009-2010
Fridays, 9:00am – 10:00am
Price/Block Auditorium**

January 29, 2010

Rajat Singh, M.B., B.S.

Albert Einstein College of Medicine

Title: Autophagy regulates Lipid Metabolism and Energy Homeostasis in an Organ-Specific Manner

February 5, 2010

Craig Branch, Ph.D.

Albert Einstein College of Medicine

Title: MRRC Facilities, Resources and Faculty Expertise

February 12, 2010

Leonard Augenlicht, Ph.D.

Albert Einstein College of Medicine

Title: Genetic and Nutritional Modulation of Intestinal Tumorigenesis

February 19, 2010

Jean Schaffer, M.D.

Washington University

Title: Unexpected Regulators of Metabolic Stress

February 26, 2010

Elizabeth Seaquist, M.D.

University of Minnesota

Title: Brain Glucose and Glycogen Metabolism in Patients with Type 1 Diabetes and Hypoglycemia Unawareness

March 5, 2010

Dean Allen Spiegel, M.D.

Albert Einstein College of Medicine

Title: Mutations in G Proteins and G Protein-Coupled Receptors as a Cause of Endocrine Disease

March 12, 2010

Jesse Roth, M.D.

Albert Einstein College of Medicine

Title: Evolutionary Speculation About Tuberculosis and the Metabolic and Inflammatory Processes of Obesity

March 19, 2010

Elizabeth Walker, Ph.D.

Hillel Cohen, Dr.Ph.

Title: Results of the Improving Diabetes Outcomes Study:
Glycemic Control and Medication Adherence

**Albert Einstein College of Medicine
Diabetes Center Conference
2009-2010
Fridays, 9:00am – 10:00am
Price/Block Auditorium**

March 26, 2010
Clay Semenkovich, M.D.
Washington University
Title: Walt Whitman and the Metabolic Syndrome

April 2, 2010

NO CONFERENCE

April 9, 2010
Ana Maria Cuervo, M.D., Ph.D.
Albert Einstein College of Medicine
Title: Selective Autophagy, an Educate Consumer at the all-you-can-eat Cellular Buffet

April 16, 2010
Derek LeRoith, M.D., Ph.D.
Mount Sinai Medical Center
Title: Type 2 Diabetes and Cancer Risk: What can we learn from mouse models?

April 23, 2010
Gerard Karsenty, M.D., Ph.D.
Columbia University
Title: Regulation of Glucose Metabolism by Osteocalcin: Molecular Mechanisms

April 30, 2010
Michael Frohman (JP), M.D., Ph.D.
Stony Brook
Title: New roles for Phospholipase D Family Members in Insulin Secretion and Golgi Complex Organization, Thrombosis, and RNAi Activation During Gametogenesis

May 7, 2010 **Rifkin Lecture**

Domenico Accili, M.D.
Columbia University
Title: Reversing Beta Cell Failure: It Takes Guts

May 14, 2010
Michael Brownlee, M.D.
Albert Einstein College of Medicine
Title: Induction of Persistent Epigenetic Changes and Proinflammatory Gene Expression by Transient Hyperglycemia

May 21, 2010
NYC Regional Diabetes Meeting
LeFrak Auditorium

June 4, 2010
Abstract Rehearsals
Price 351

**Albert Einstein College of Medicine
Diabetes Center Conference
2009-2010
Fridays, 9:00am – 10:00am
Price/Block Auditorium**

June 19-22, 2010
92nd Annual Endocrine Society
San Diego, CA

June 25-29, 2010
70th American Diabetes Association Scientific Session

Diabetes Center Conference to Resume in September
